

Brief CV

中文姓名/ Name	潘崇根/Chonggen Pan	性别/ Gender	男/Male	
职称 (Pro./Dr.)	副教授/Associate professor	国家 /Country	中国/China	
所在单位 University/Department	浙大宁波理工学院/Ningbo Tech University			
研究领域 Research Area	土木工程材料			

Brief introduction of your research experience:

主要从事海洋工程结构防护与修复、固废处置与资源化利用研究、功能纳米新材料等基础与工程应用研究。近年来，已在"Journal of Hazardous Materials"、"Construction and Building Materials"、"International Journal of Electrochemical Science "、" China Ocean Engineering"、"材料导报" 等国内外核心期刊上发表学术论文 70 余篇，其中 SCI、EI 收录 30 余篇，授权专利 10 项。

The research area involves marine engineering structure protection and repair, solid waste disposal and resource utilization research, functional nano new materials and other basic and engineering application. In recent years, more than 70 academic papers have been published in "Journal of hazardous materials", "Construction and building materials", "International Journal of electrical science", "China Ocean Engineering", "Materials review", including more than 30 SCI and EI papers and 10 authorized patents.
